The purpose of this ACL is to provide information on the impact of the 2001-02 Budget Act, SB 739 (Chapter 106, Statutes of 2001). SB 739 provides an appropriation for a 4.85 percent cost-of-living adjustment (COLA) for Foster Care Programs, effective July 1, 2001. The State-approved increased rates for out-of-home placements and Foster Care support programs are provided below.

FOSTER FAMILY HOMES

The AFDC-FC standardized basic rates for foster family homes (FFH), including small family homes, are to be increased by 4.85 percent. The following chart provides the increased Schedule of Basic Rates that are effective July 1, 2001.

FAMILY HOMES Schedule of Basic Rates Effective July 1, 2001	
Age	Basic Rate
0-4	\$425
5-8	\$462
9-11	\$494
12-14	\$546
15-19	\$597

Counties that have FFH rates higher than the standardized Schedule of Basic Rates are to be adjusted in accordance with the Welfare & Institutions (W & I) Code sections 11461(d)(2)(A) and (d)(3). The rates for FFHs in Los Angeles, Marin, Orange, and Santa Clara counties have been increased by one-half of the current COLA or 2.43 percent. If the rate amount was less than the adjusted Schedule of Basic Rates then the full COLA amount was provided. The following charts provide the increased Schedule of Basic Rates that are effective July 1, 2001.

FAMILY HOMES Schedule of Basic Rates - Effective July 1, 2001					
County	Age				
	0-4	5-8	9-11	12-14	15-19

\$435	\$462	\$531	\$605

Except as specifically noted in this ACL, any county choosing to pay a rate higher than the State-approved basic rates indicated above shall pay any excess dollar amount using county-only funds. Counties should be aware that the increase to the Basic Rates also applies to children who are receiving Adoption Assistance Program (AAP) benefits. As stated in section 35333(f)(2) of the Adoptions Users Program Manual, AAP benefits shall be adjusted automatically at the same time and by the same percentage as the Basic Rates.

KINSHIP GUARDIANSHIP ASSISTANCE PAYMENTS (Kin-GAP) PROGRAM

Section 11364 of the W & I Code provides for Kin-GAP Program rates paid on behalf of eligible children at an amount equal to 100 percent of the basic rate paid to a licensed or approved foster family home. Please refer to the Family Homes Schedule of Basic Rates on page 1 for the Kin-GAP Program rates that are effective July 1, 2001.

FOSTER FAMILY AGENCIES

The Foster Family Agency (FFA) treatment and non-treatment rates are to be increased by 4.85 percent. **Individual FY 2001/02 Rate Notification Letters will be sent to FFAs. It is the responsibility of the FFA to forward copies of its annual Rate Notification Letters to all agencies from which it receives placements.**

The following charts provide the increased basic rates and components for treatment and non-treatment FFAs effective July 1, 2001.

Intensive Foster Care Programs

The Intensive Foster Care Program rates for Intensive Treatment FFAs are to be increased by 4.85 percent effective July 1, 2001. The following chart provides the increased intensive treatment rates.

Please submit to Greg Lim, California Department of Social Services, Foster Care Branch, 744 P Street, M.S. 19-71, Sacramento, California 95814.

If a child is receiving AAP benefits that include a specialized care increment, counties should also include this automatic increase in the child's AAP benefit. It is not necessary for families to apply for this COLA nor is it necessary to complete a new AAP Agreement.

STATE SUPPLEMENTAL CLOTHING ALLOWANCE

The 2001-02 Budget Act appropriated funds to provide the \$100 State supplemental clothing allowance per child per State fiscal year to **supplement** the counties' existing clothing allowances. This amount will not be subject to the 4.85 percent increase. The State supplemental clothing allowance shall be provided to every child placed in FFHs and certified homes of FFAs, including those children receiving Emergency Assistance (EA) – Child Welfare Services or EA – General Assistance.

INFANT SUPPLEMENT

The Infant Supplement rates are to be increased by 4.85 percent effective July 1, 2001. Children who are in receipt of Kin-GAP benefits are also entitled to receive the infant supplement. The following chart provides the increases to the Infant Supplement by placement type.
